c. [REDACTED] has received an interesting report from his replacement 25X1A9a as Chief Instructor, War Planning. [REDACTED] currently with the 25X1A6a [REDACTED], reports he is the envy of the entire [REDACTED] Station. Personnel there are amazed that one of their members has received a definite Headquarters assignment some six months prior to returning to the United States. This appears to be quite a boost for the Office of Training and [REDACTED] PPC, for the manner in which the instructor rotation 25X1A6a was handled.
